Students' Feedback & Theatre Workshops

"Conversations with her about performance often span hours, during which her insights reveal her deep intellectual engagement and love for the art. Most importantly, Enna's commitment to performance is profound and all-encompassing. She devotes her energy, time, wisdom, and creativity to her career, embodying a rare combination of passion and authenticity. Her presence on stage is nothing short of magnetic, captivating not only audiences but also students and even casual observers. This is a testament to her deep faith in the transformative power of performance, which she believes transcends mere technical skill or appearance." (Zhang Z, 2025)

"I first knew her as the Stage Manager and Acting Coach of the three- hour play, The Grapes of Wrath, which was a charity performance. All the actors and actresses were amateurs and from different countries and backgrounds. Despite all kinds of difficulties, she managed to present this show within a week and surprisingly, it was a great success." (Lili W, 2018)

"You've taught me to be bold enough to try new things, to feel the world with all my heart, and to focus on being myself without distractions. I used to suffer from psychological anxiety due to excessive use of mobile phones and social app. Since I've started doing (your) homework without my phone, I've gotten used to a life with less phone time. This makes me feel more relaxed, healthy, and happy. (Loren, Class 2024)

"Enna uses her understanding of performance to uplift others, boosting their confidence and encouraging them to approach even mundane tasks with a sense of purpose. She has a gift for inspiring those around her, leaving a lasting impact akin to that of a mentor or spiritual guide." (Gert M)
